

PREVAIL

V-TOX

Natural Balance Detox Tea

IS YOUR BODY TOXIC?

Every day, our bodies are continually exposed to harmful toxins. From the pollutants in our environment and the artificial chemicals in the foods we eat to our personal beauty and grooming products and the stressors of everyday life—all may contribute to a gradual, unhealthy buildup of toxins within the body.

That's why Valentus has created Prevail V-TOX, an exquisite blend of naturally based ingredients sourced from around the world that create a powerful and potent tea that works to support healthy detoxification.

BENEFITS OF PREVAIL V-TOX

- Supports the body's natural elimination process supports regularity and a healthy digestive tract.
